

## Paper 9.2

### **Future arrangements for carrying out the functions of the Scottish Tribunals and Administrative Justice Advisory Committee (STAJAC)**

As discussed at the previous STAJAC meeting, a draft paper has been drawn up to be sent out to stakeholders for consultation and comment. This is attached to this cover paper.

Bearing in mind that advice will need to go to Ministers before the summer recess, the following timetable is proposed for the stages of distributing the paper to stakeholders and gathering comments:

- Finalise draft after STAJAC meeting – by 8 May
- Sent paper to stakeholders for comment – 11 May
- Request comments by 8 June ( 4 weeks)
- Collate comments for STAJAC meeting and redraft as needed – by 12 June
- Next STAJAC meeting – 17 June
- Finalise paper and send to Ministers – by 26 June
